Subject: Docket No. 2020-125-E - Dominion Energy Rate Case

Memorandum to Chad Burgess, Esquire, and Counsel for the Intervenors and the Office of Regulatory Staff:

As you are well aware, the merits hearing in the above-noted Docket is set to resume in July. The Commission Staff has begun preparations for the resumption. I have a question which may be difficult to answer at this point, but I have to ask it nonetheless. For planning purposes and general information, do the parties have any idea as to how long the remainder of the case will last? I would be fine, of course, with best guesses. I believe we were still proceeding with Company witnesses when the Commission recessed the case. Anyway, I would appreciate having your thoughts on this matter.

Thanks and regards to all,

David Butler
